

Junior Round Robin RULES

All matches must be played by Tuesday 20th June

1. The Round Robin will be played over 8 weeks. Don't leave all your matches to the last couple of weeks when the weather could be wet.
2. Each individual has a responsibility to arrange their own matches. (It is advisable to book courts in advance. If you need a pin number to do this, please let John Griffin know). Tennis balls are not supplied.
3. If a player is repeatedly unavailable for play during this 7 week period, then their opponent can claim the full nine points and this will not exclude them from claiming the 3 bonus points awarded to a junior when they complete all their matches.
4. Four matches should be played by each junior within Groups 2 & 3 and three matches within Group 1.
5. Each match will be the best of 3 sets. The first 2 sets will start at 2-2. Normal tiebreak will be at 6-6. Third set is a Championship tiebreak - first to 10 by two clear points.
6. Record your score on the notice-board after each match. (Make sure this is done, or your points total will be lower than you might expect!).
7. Three bonus points will be awarded to individuals who have completed all their matches by Tuesday 20 June.
8. James, Jonah, Kaelan and Sam to play with the green ball for all their matches.

Above all else, do ENJOY –
